Dear Marian:

Please forgive the abruptness of this resignation but I am up to here and feel that I can do much better work alone with the Wartia Book. I am a sensitive person I guess, but I just can't take the pressures and the confusion!

It's like "nobody knows what goes on back stage" isn't it?

There are others to carry on but I have serious work to do.

I am so in love with Bill Saliers book I take it

with me wherever I go. Oh
how I wish I could have
known him!

Much love,
Georgia
