TO: ALL PERSONS DEDICATED TO THE WILL OF GOD AND THE TEACHINGS OF THE URANTIA BOOK  
FROM: JAMES D. KIMMEL  
SUBJECT: EFFECTING THE SPIRITUAL TRANSFORMATION AND UNIFICATION OF PRESENT-DAY  
HAWAI'I AND THE WORLD

Those of us who have read The Urantia Book and who have accepted Michael's Commission to represent him before men as his contemporary apostles would do well to contemplate all that we have in common while considering how to make the most of what we are and what we share in common for the uplift and benefit of the greatest number of people and the longest period of time out of our love for our common Father and older Brother. By now there must be a considerable number of us who are willing to renounce all that we are and dedicate all that we have to function in harmonious, co-operative, and associative unity to effect the spiritual transformation of present-day humanity requisite to world brotherhood, world government, world law, and the attainment of the ideal levels of social brotherhood. We have been given the keys of the outward kingdom—the authority over things temporal—the social and economic features of this association of men and women as fellows of the kingdom. We know that only his apostles were to avoid earthly possessions and were not to hold property. Rather did he require the 12 and 70 to dedicate all of their worldly possessions to the common cause. We have been taught that only when the Father becomes supreme will men become religious brothers and live together in religious peace on earth. We know that the political sovereignty of representative mankind government will forever insure good will among all men. And we know that there is no other way whereby peace on earth and good will among men can be realized.

The Commonwealth Government of the Spiritual Brotherhood of All Mankind is the name of the organization created and devised to serve as the nucleus of a World Government and for the benefit of all men. As many of you know, this new form of government originated on Kauai in 1974 and Headquarters was originally established on Molokai. The growing need to establish a new, stable, and independent world center for truth and righteousness has grown to such a point that increasing numbers of spirit-led people foresee Hawai'i becoming such a center, even the Capital of a New Form of World Government, based on the fact of the sovereignty of God. The evolution of the sovereignty of a new and independent Nation of the Native Hawaiians of Hawai'i has grown to that point where it is about to take a great step forward. This is the first independent nation to recognize the Supreme sovereignty of God and the Commonwealth Government of the Spiritual Brotherhood of All Mankind. It is anticipated that soon, all of the Indian Nations will likewise resolve to augment the government of the sovereignty of all men by their enhanced realization of the fatherhood of God and the sonship-brotherhood of man. And so on around the world, in all directions, increasingly, until the kingdom is firmly established in the hearts of all mankind, and the fallacy of self-determination will be ended.

In anticipation of great changes which lie directly ahead, it has been proposed that we establish a new, regional Headquarters on the Big Island of Hawai'i between now and the end of the year whereat we will institute a living pattern of worship, group study of The Urantia Book, gardening, farming, public ministry and service, etc. By the end of the year it is anticipated that the Hawai'i regional center will be shining forth the light of conjoint, associative, and co-operative love and service in action. It is now planned that, after the first of the year, a group of brethren will travel from the Big Island to establish new centers of a similar nature and character on the remaining islands, including Maui, Lanai, Molokai, Oahu, Kauai, and Kahoolawe. At each of these pattern communities of

idealists and golden rulers, trained apostles will proceed out into the People-garden teaching and preaching the good news of the gospel until all of our brethren will have been lovingly exposed to such and shall have been given adequate opportunity to choose to accept or reject the good news of sonship and brotherhood. Daily reading of The Urantia Book will be scheduled and may extend to cable television, and video-taping of such is anticipated for non-profit, educational purposes. Many people will be needed to help upbuild these new centers and the life-support systems essential to their self-sufficiency.

Tourists from the many nations that pass through Hawai'i will soon be going home with the Thought-seeds of the Gospel and all they've heard and seen relative thereto, including a Manual for Citizenship for Global Government, and Credentials of Citizenship for the members of this new form of divine-human government of, by, and for the people of the world.

As Agents of the Lord and Ambassadors of Love and Truth, we should take lessons from the highly organized members of mammon, such as Terror International, and launch a positive, aggressive, and co-ordinately organized spiritual assault upon all barriers to peace and good will among men. A Constitutional Convention for purposes of creating a Master Charter of Liberty and World Law for World Government—the sovereignty of all mankind—is tentatively scheduled for 1980 in Hawai'i. Worldwide communications and solid state technology make world government based on world law both possible and practical, and will make equal rights and justice for all an actuality relative to global necessity.

We have the bountiful revelation of The Urantia Book and the great wealth of our talents to share in common if we choose to make the most of what we are and what we have at hand. We are looking for as many as desire to choose to dedicate all they have to the brotherhood of the Commonwealth Government of the Spiritual Brotherhood of All Mankind in order to devote 100% of their will and action to the doing of the will of our Father in harmony with Michael and as his apostles. We know the difference between discipleship and apostleship and realize their relative functions and duties should augment one another, and we are calling both of you who are willing and able to unite in relative and loving service to actualize and expand the potentials that have been herein portrayed.

Toward peace on earth and good will among men, I remain

In Truth and Love,

  
James D. Kimmel
